### BETH ARGOT, D.W.S. | PROGRAM CHAIR

Dr. Beth Argot received her Master of Music in Performance from Ohio State University, and her Doctor of Worship Studies at the Robert Webber Institute for Worship Studies. She taught as a regular adjunct for 13 years at Messiah College in Grantham, PA. Since 1998 she has served in creative arts and worship director positions with churches in Pennsylvania, California, and Illinois. She blends a love for music, theology, and the arts with a passion for seeing the development of the next generation of Spirit-led worship leaders.

### PURPOSE

Life Pacific College's Bachelor of Arts in Worship Arts & Media major prepares worship leaders for ministry in diverse settings. Today's worship leaders have broader roles than ever before and the media landscape is becoming more complex and demanding. Life Pacific College's Worship Arts program prepares women and men by offering a degree specifically designed from a Spirit-filled perspective and which considers these new complex realities.

### CAREERS

Worship Arts and Media is a major for those who sense God's call to serve in a worship leadership role whether that means leading from the front or behind the curtain. Those wishing to serve in multicultural and multi-generational churches or those who wish to further their education in a related arts profession will hone their craft in this degree. The program educates students to serve Christ in the Church, workplace, and the world as biblically minded, well-educated, and

professionally competent men and women of character. Possible careers include: worship pastor, singer/songwriter, creative arts director, drama, recording industry, music teaching, performance, and more!

### ADMISSIONS REQUIREMENTS

The application packet consists of an application, pastor's reference form, a Residence Hall Application, and a Health Form to be completed by a physician. Documentation for assessment of a student's English proficiency is also required, including AP English, SAT or ACT scores. Documentation of official high school and/or college transcripts will be needed to process an application.

### SCHEDULE

Traditional on-campus programs run on a Fall/Spring semester schedule.

### INVESTMENT

Students should expect to put at least 3-4 hours per unit a week into their coursework.
