Exam Conflict

If two of your exams are scheduled for the same time, you need to make arrangements with the Registrar’s Office to complete both finals.

Two Exams on the Same Day

If you have two exams on the same day you may not appeal to take a final at another time. Many students are in the same position.

Early Exams

The finals schedule is distributed well in advance so you may make travel arrangements. **NO EARLY EXAMS WILL BE GIVEN.**

Late Exams

Late exams are given only in emergency situations and must be approved by appeal to the Academic Committee. The faculty member and the student must complete an Incomplete Contract with the Registrar’s Office prior to the scheduled exam.
